And Now For Something Different . . .

How many times have you heard someone say that "nothing ever changes"? Students at Westminster are no exception. During the past year though, there were many changes that affected our campus, town, and state. It was definitely a year for "something different."

As the 1987-88 school year began, the student body and faculty celebrated the inauguration of Dr. Oscar Remick as Westminster's 10th president.

Athletically, for the first time in years, Westminster's football team excelled in the play-offs by going to the state quarter finals. Also in sports there was a change in coaches as the soccer team welcomed new head coach Dave Murray.

Residence Halls were filled to capacity as more freshmen than ever began their college careers. Freshmen halls were developed in Galbreathe and Hillside, and transfers were placed into any available rooms.

This year, fraternity party regulations were revised. The 1988-89 freshmen will be the first class to experience part of the new regulations. For the first semester of the school year, freshmen will be permitted to attend one designated party each weekend, for a total of 15 parties all semester.

Changes in LCB control haunted students, and forced fraternities to be more cautious, as the State Police took over LCB authority. Large parties were avoided to keep the chance of police intervention to a minimum. This even meant restricting the All-Greek parties during Greek Week.

In February, Westminster sponsored it's first All-College Formal at the Holiday Inn in Beaver Falls. It was the first formal to include all greeks and independents.

Another peaceful and serene day at Britain is typical of Westminster.

. . . A Unique Place

Why did you come to Westminster? Was it because it was close to home? (or far away?) Did you think it would be a great cultural experience living by the Amish, a culture so very different from our own? Did you like the way the bells toll every fifteen minutes?

Whatever the reason one comes to Westminster, we all leave with many common memories. Westminster is different from all other colleges, and these differences become a part of us.

Only at Westminster, is there a dry town and wet frats, do students run the railroad tracks instead of the road, do students pray for blue slips in their mailboxes...

Rising above the Autumn leaves, Old Main reveals the heart of the Westminster campus.

Dr. Remick awaits the podium for his inaugural speech.

President Remick

A change for the better.

On the 23rd of October, Westminster College observed one of the greatest long term differences to the college. Dr. Oscar E. Remick was inaugurated as the twelfth president of Westminster College. Dr. Remick assumed the responsibilities as the president on July 1, 1987.

Before Dr. Remick came to Westminster, he was president of Alma College, Alma, Michigan for seven years. Prior to his service at Alma, he served as Professor of Philosophy and Dean of Fine Arts and Humanities, at the State University of New York at Fredonia. Dr. Remick also was president of Chautauqua Institution, Chautauqua, New York, from 1971 to 1977.

October 23, 1987 was the joyous occasion to formally inaugurate Dr. Remick. On that Friday, all classes were cancelled for an all-college participation of the festivities. To start the day off, approximately 150 delegates from colleges and universities, and about 40 student delegates representing student organizations on campus, registered for the ceremonies. Following registration a worship service was held in Wallace Memorial Chapel. At 10:30 a.m. a buffet brunch was served for all delegates at the Memorial Field House. Following brunch, guest speaker Kenneth R. Reeher, Executive Director, PHEAA, made his speech to the delegates attending the inauguration.

The Inaugural Ceremony was to be held on the Senior Terrace, but because of inclement weather the ceremony was held in Orr Auditorium. At this time Dr. Remick made his speech and became the official president of Westminster College.

Jeff Wilson and Wayne Nickerson were emcees of the post dinner activities.

"All that Jazz"

Makes the difference, for Homecoming 1987.

Westminster celebrated another successful Homecoming as students, parents, alumni, and faculty gathered for the occasion on October 10.

Homecoming began offficially thursday evening as students assembled for the traditional pep rally and spirit contest to get everyone excited for the big weekend ahead. On Friday night, the Celebrity Series hosted the "Dizzy Gillespie Jazz Quintet" in Orr Auditorium.

Saturday morning sunshine enticed the campus to Market Street for the parade. Kappa Delta won first place in the float contest, and Sigma Kappa placed second for their entry, as students showed their participation in the Homecoming theme of "All That Jazz." During the parade, Titan athletes competed, as Westminster's soccer team battled against Geneva, and the cross country team fought to defend their District title.

1986 Homecoming Queen, Tracy Stuck, escorted by her brother Steve, ends her reign as Queen as she prepares to crown the new Queen.

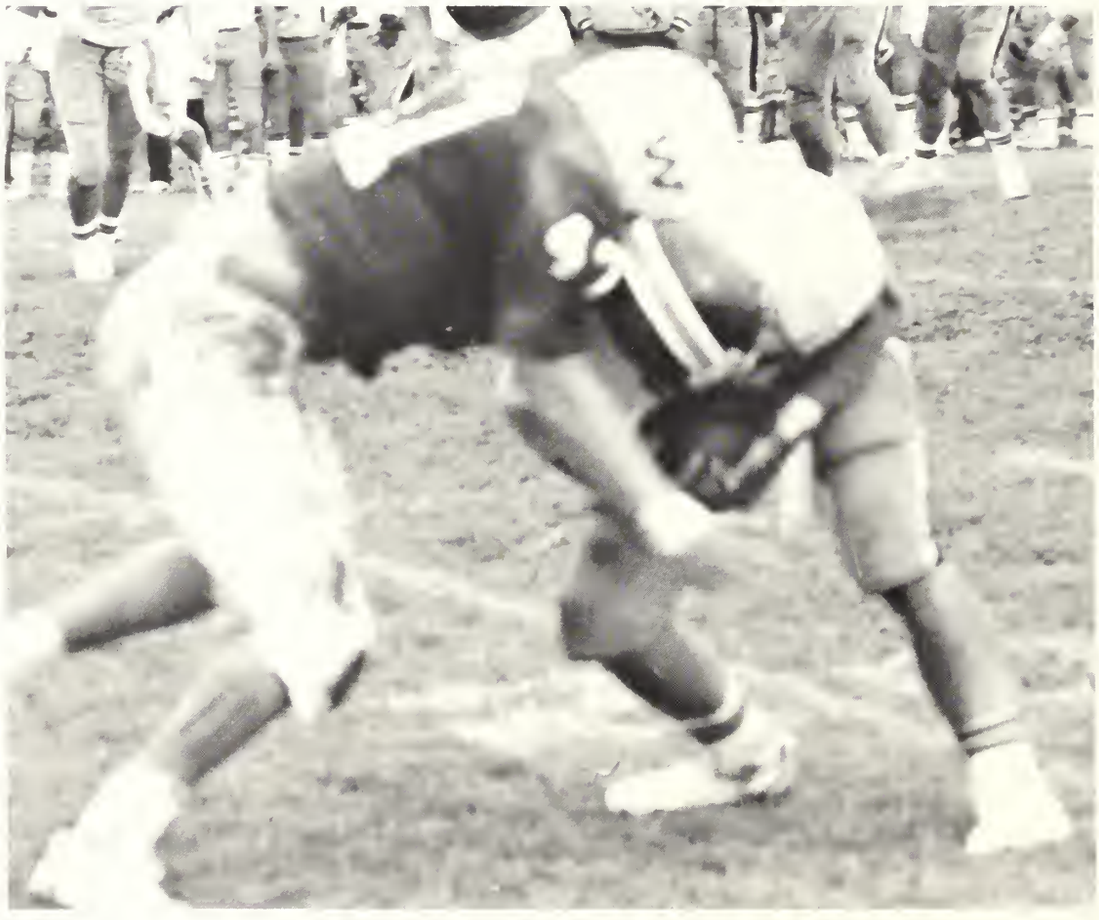

Debbie Henry and Erika Weichman show their spirit towards a Homecoming victory.

Mylinda Love, representing the Independents, was crowned 1987 Homecoming Queen.

Students, parents, and alumni look on as Westminster rolls on to a Homecoming victory.

Andre Borowitz plows through the Geneva offense.

Westminster Homecoming

The tradition continues.

After the parade, there was a lakeside picnic before the footbal game. At halftime the five candidates, Val Lafko, Alpha Gamma Delta; Kim Solanik, Kappa Delta; Jill Cona, Sigma Kappa; Kristen Goldstrom, Zeta Tau Alpha; and Mylinda Love, Independent, waited anxiously for the crowning of the 1987 Homecoming Queen. Tracy Stuck, 1986 Homecoming Queen, proudly passed her crown to Independent Mylinda Love. The end of the football game increased spirits as the Titans beat Geneva.

The Homecoming dance concluded the day's festivities as all arrived at the Sheraton Inn-West Middlesex for an evening of reminiscing and fun.

A Sunday morning worship servcice brought an end to Homecoming '87. Old friends said their good byes for yet another year.

New Wilmington high school cheerleaders add spirit and excitement to the Homecoming parade.

The beauty of Westminster especially shows through in the fall.

Weather?

Westminster Weather is different from any other college's anywhere. It changes so often without notice, for some reason. It seems that it only rains on weekends and then its is 70 degrees and sunny the afternoon that you have a test.

Weather in "Happy Valley has a mind of its own. It doesn't care that it is 62 degrees on day in January, or snowing in the middle of March.

The winter months are snowballs of fun, whether you are throwing or getting hit. Students go "traying", and have contests to see who can slide down Hillside walk the quickest. As soon as the weather hits the 60's students pack their books, SAGA towels, and radios and head for the lake to start their tans. For some reason, Friday afrernoon classes in May often are are a little empty. It must be something in the air.

The Titan River thaws out after an unusual winter.

It seems that whatever
you do is controlled by
the weather.
Whether
you ski or swim,
walk or ride,
you must surrender
to nature's hands.
The weather
tells you
whether
to wear a jacket
or not,
and if you should take
your sunglasses
or umbrella.
Sometimes
it determines
whether
to attempt to climb
out of bed,
or to stay comfortably
betwen the sheets.

Westminster in the Summer

The summers at Westminster are a little bit different and run at a much different pace than during the regular school year. When the seniors are finished with senior week and graduation the campus takes a different perspective. Summer school starts at its own pace for both summer session, leaving little vacation for those that attend. During the month of August, every summer the New Wilmington Missionary Conference is held on campus and thousands of people from all over Eastern United States come to attend.

Westminster Helps Democrats Celebrate - Mock Convention

Westminster's 13th quadrennial Mock Convention was held February 29 through March 2, 1988. The traditional Convention has become a way of increading the political awareness of students and also a chance for students to gain a better understanding of the political process.

The Student Body came alive to voice their opinions on present political issues as Mike Dukakis was nominated as the presidential candidate with 636 of the 838 votes. In its final session, the convention named Al Gore as the nominee for Vice President.

Kathleen Kennedy Townsend, daughter of the late Robert Kennedy, was the key note speaker. Townsend inspired students to get involved with their nation, because they certainly can improve the present standards.

Soccer Team Breaks In New Coach

1987-88 was a tough and challenging year for the second season of Westminster's soccer team. The Titans won only one match for the season, against the University of Pitt-Johnstown. Westminster beat UPJ 1-0. The difficult season was caused by the inexperience of the team, and the top quality of it's opponents. Having only eighteen players proved a barrier for the Titans.

Bright spots include the Titan's new coach Dave Murray, a graduate of Geneva College. Co-captains Mike Killian and Scott Zimmerman provided leadership and incentive for the team to help Coach Murray. Killian, a junior goalkeeper, was named MVP and was selected, along with teammate Jeffrey Line, to play in the Western Pennsylvania Inter-Collegiate Soccer Conference all-star game.

FOOTBALL: The Comeback Year

The 1987-88 Westminster Titan football team unleashed its finest season in five years by compiling a 9-2 record and returning to the NAIA playoffs after several years of absence. The Titans started their season with a 20-7 loss to California, PA., a game the Titans gave away with turnovers. But, the Titans bounced back to win eight straight, including impressive come from behind wins over Findlay and Clarion. Ranked as high as sixth in the NAIA division II rankings, the Titans entered the playoffs against Georgetown College of Kentucky. The Titans outscored the Tigers 24-17 behind the running of Brad Tokar and Butch McBride, and the arm of quarterback Joe Micchia to advance to the NAIA quarter-finals.

The Titans met the Golden Tornadoes of Geneva College in the quarter-finals. Unlike their first meeting during the regular season, the Titans were unable to overcome a late score by Geneva and lost 16-15. The Tornado defense held the Titans in the final minutes to end a great season for the Westminster.

The Titans achieved some great individual honors during the 1987 season. Named to the Pittsburgh Press All-District First Team were Frank Antuono (OG), Joe DeGruttola (FB), and Kevin Gribbin (DB). Named to the Second team were Jeff Hahn (TE), Al Zenner (C), Matt Bendig (DE), and Brian Wiczen (LB).

Even higher honors were achieved by defensive specialists Brian Wiczen and Kevin Gribbin. Brian Wiczen (LB) was named to the NAIA All-District first team, and also as an Honorable Mention NAIA Division II All-American. Kevin Gribbin (DB), who often played as wide reciever and punter, was also named to the NAIA All-District First Team. But, Kevin was also named First Team NAIA All-American as a defensive back. Gribbin set an NAIA record for most interceptions in one season by snagging 17. He was also close to another NAIA record for most career interceptions. Kevin ended his career with 35 interceptions, just one short of the NAIA record.

Many outstanding individual performances led the Titans to a great year. With a nationally ranked defense and returning gamebreakers like Mark Aiken, Joe Micchia, and Joe DeGruttola, the Titans are bound to return to the national playoffs again next season.

Curt Latshaw anticipates to get the ball off before the sack by the Geneva defender.

The Titan defense shows why their nationally ranked by shutting down the Clarion running game.

Titans, Young But Tough

This year the Titans were a young team due to the loss of two key starters from last year. Team Captain Joe Lafko lead the team to the District Finals at Waynesburg where they were downed by the Waynesburg Jackets. Freshmen that were an important part of the overall success of the team were Mark Palmer, Jeff Prunzik, Darin Wrinch, and Ed Covert. Returning lettermen were John Fitzioris, Jamie Rile, Paul Fec, Joe Lafko, and Jeff Morrow.

Joe Lafko hit the 1000 point mark this season as he helped the Titans to a seasonal record of 21-4 and an overall record of 22-5.

The Titan baseball team was much stronger than the team it had the year before. The Titans made it to the District Playoffs this year, but unfortunatly they were upset in the first round.

The team was without Bill Douds, third baseman, and outstanding batter when he broke his ankle during a game sliding into a base. The pitching staff was much stronger this year due to freshman Don Ambhurst, and senior captain Joe Lafko led the team to many victories.

The Track & Field team this year was strong enough to retain its District 18 Championship title. The team was led by captains Charles Flewellen, Kevin Gribbin, and Jeff Wirth. The highlight of the season was taking second place at Wooster College Invitational, where Flewellen won the 800 meter run for his third consecutive year, and Harry Gustafson won the javelin. The one thing that topped the season off was the win over Grove City College, a team that the Titans have never beat in the fifteen years that the Titans have run them. The team will miss the outstanding efforts of Charles Flewellen and Kevin Gribbin, two team members that have competed with the best.

Harriers Final National Competition Tough To Match

The Cross Country team this year was the strongest team ever in Titan history. The squad was lead by senior captains Charles Flewellen and Vince Schmidt. The team had their eyes set on one major goal, which was to compete at the NAIA national meet in November, and that goal was attained on October 10th when the Titans retained their District 18 title and their second consecutive win.

The harriers went to Kenosha, Wisconsin with hopes to do better than the previous year. The Titans finished 34th overall bettering their overall place from the previous year, but the field was smaller.

The runners that competed in addition to the captains were Mike Hovis, Greg Gerard, John Riegal, V.J. Vendetti, and Greg Pollock.

And Now For Something Different . . .

The Westminster College *Argo*, Volume 84 was printed and published by Jostens Printing and Publishing Company in State College, Pa. This Yearbook took much time and effort to complete especially when the editor has a lack of staff to help complete the book. This year the editor-in-chief was Mike Hovis, who is eternally grateful to his assistant Katy Berger who is responsible fully for the design of the Mini-Magazine within the book. Katy and Mike met frequently over the scorching summer of 1988 to complete this yearbook.

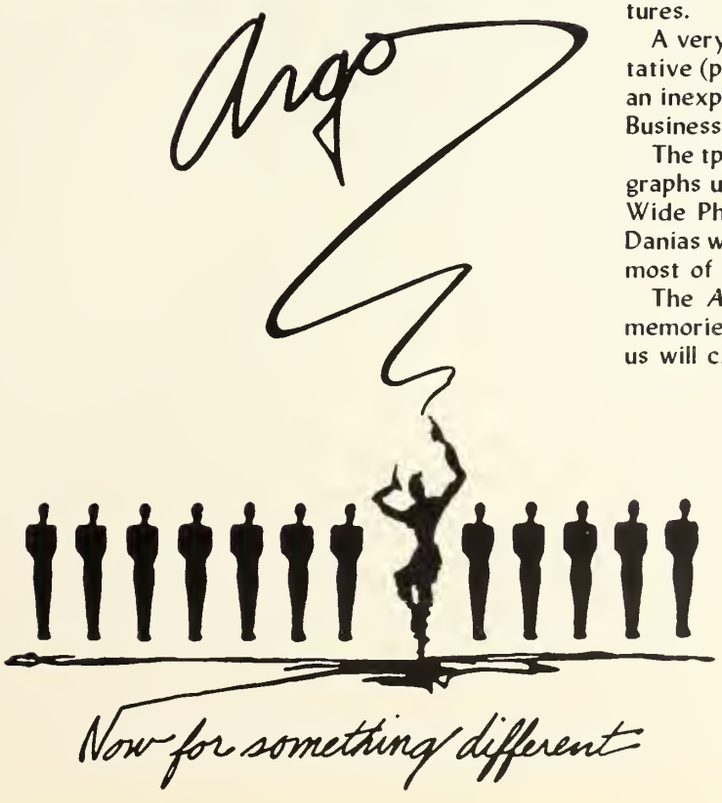

This year the *Argo* acquired an Apple IIc computer to do all of the copy, instead of the conventional way of typing on a typewriter with type sheets. The theme "And Now For Something Different" was chosen because of all the changes that occurred during the past year. Some of the changes that occurred within the *Argo* are that of the change in photography companies, the access of the computer, staff changes and many more.

Senior pictures were taken by Davor Photo Studios, Bensalem, Pa. Davor was reponsible for developing and printing all the film. This years Photography Editor was Rose Desput, who was responsible for organizing and taking candids and group pictures.

A very big thank you goes to Larry Intihar, Jostens Representative (pictured above) who put up with delays and questions of an inexperienced editor. Other thanks go to Charles Flewellen, Business Manager and Greg Gerard, Sports Editor.

The tpye used through out the yearbook is Lydian, and photographs used throughout the Mini-Mag were supplied by World Wide Photos. Special thanks also go to Literary Editor, Beth Danias who put lots of time in this summer in writing and typing most of the copy.

The *Argo* tried to its best ability to capture those special memories that occurred throughout the past year which all of us will cherish forever.

In Memory Of

MARK PROSINSKI
